Foothill Intermediate School Office

The office opens at 7:30 am and closes at 3:45 pm daily. Our website address is www.foothill.mjUSD.k12.ca.us.

You may also access the teachers' email address from the school website. The phone number is **530-741-6130**.

Parents needing to get a message to their child may do so by calling the office. Messages are only delivered during non-instructional parts of the day.

Foothill Intermediate School prides itself in maintaining a safe and supportive environment for all students. We provide the following information so that students, parents and staff can work together to ensure success. Information topics are in alphabetical order by topic.

Academic Progress Reports

- Academic progress reports will be mailed home after the fifth week of each quarter.
- Report cards will be mailed home the week after the quarter ends.
- Report cards are for that quarter only.

After School Sports/Athletics

In order to participate in after school sports, a student must:

- Show evidence of accident insurance in the amount of \$1500.00.
- Have a signed “After School Sports Agreement” and “After School Sports Standards” on file.
- Have a 2.0 GPA in the quarter preceding, as well as during the activity.
- 7th & 8th grade students playing a fall sport will be eligible based on their previous 4th quarter GPA.
- Remain on the Raider Recognition List and have at least 85 merits.

Birthday Celebrations

We pay special recognition to all students on their birthday. In order to preserve the instructional integrity of the school day, birthday parties will need to be celebrated outside of school hours. Home prepared goods will not be shared with other students. We recommend bite-sized treat serving sizes.

Cell Phones or Other Electronic Signaling Devices

Foothill Intermediate School implements a cell phone policy that keeps our campus safe and prevents students from engaging in activity that compromises student safety and the learning environment. In the fall of 2022 we worked with students and families to implement a rule that cell phones will be out of sight until after school, when they can be used to organize rides and communicate with parents. The staff communicates with students to keep cell phones and electronic signaling devices out of sight during the school day; the rule is simple and concise. Many middle school students do not have

cell phones, and those who do are still learning to practice responsible cell phone use. This policy helps keep our students focused on learning and prevents unwanted distractions and safety issues. We are proud to be a cell phone free zone for our students.

Board Policy MARYSVILLE JOINT UNIFIED SCHOOL DISTRICT

Approved: August 2023

Pursuant to Board Policy and California Educational Code, cell phones and smart watches are to remain in the off position during school hours. Unless given explicit directions for instructional purposes by full-time staff, cell phone usage is completely restricted on campus. Cell phones, smart watches, and headphones/earbuds must not be in use and/or visible during class or during restroom breaks unless given explicit directions for instructional purposes by full-time staff. At the high school level, cell phone use will be tolerated during the lunch period so long as they are not being used to create video or to play music without headphones. Use of cell phones during passing periods is discouraged.

At no time are cell phones or smart watches permitted to be in use during class periods with guest teachers. Class syllabi govern the norms inside each particular classroom. In the event the norms are not being followed in the classroom environment, the following actions are in place to curb cell phones becoming distractions in the classroom:

1st Offense: Teacher refers student and cell phone/equipment to administrator or administrator's designee. Administrator/designee confiscates until the end of the day and documents on student record. Office calls parent/guardian.

2nd Offense: Teacher refers student and cell phone/equipment to administrator or administrator's designee. Administrator/designee holds phone until parent is able to retrieve the phone and documents on student record. Administrative Conference with student and parent to discuss and review cell policy. This meeting may also include a short video. Student may be required to complete a reflection assignment.

3rd Offense: Teacher refers student and cell phone/equipment to administrator or administrator's designee. Student is required to turn the phone into the office at the beginning of the day for five days. Student can pick it up at the end of the day. Student will be required to complete a reflection assignment.

4th Offense: Teacher refers student and cell phone/equipment to administrator or administrator's designee. Student is required to turn the phone into the office at the beginning of the day for the remainder of the school year. Student can pick it up at the end of the day. Student will be required to complete a reflection assignment. Failure to comply will result in additional disciplinary actions up to and including suspension.

If a student refuses to relinquish the cell phone/smart watch/electronic device and/or headphones to a staff member when asked, that student will meet with an administrator and face possible In-school or Home Suspension or Saturday School.

Students who are not properly following cell phone policy put their property at risk. School officials are not responsible for condition of cell phone. Pursuant to California Education Code Section 51512, the use of any electronic listening or recording device in an educational setting without prior consent of the teacher and/or the principal is prohibited. Any pupil violating this section will be subject to appropriate disciplinary action.

California Education Code 48901.5: (a) The governing board of each school district, or its designee, may regulate the possess or use of any electronic signaling device that operates

through the transmission or receipt of radio waves, including, but not limited to, paging and signaling equipment, by pupils of the school district while the pupils are on campus, while attending school-sponsored activities, or while under the supervision and control of school district employees. (b) No pupil shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician and surgeon to be essential for the health of the pupil and use of which is limited to purposes related to the health of the pupil.

Electronic devices such as IPODs, MP3 players, video cameras, radios, electronic toys, laser pointers or any other electronic devices or games are not permitted at school at any time. Use of Cameras, Videophone, or other Visual Recording Devices. There has been a variety of incidents at schools across the country involving inappropriate use of video recording devices. In an effort to be proactive, MJUSD is prohibiting the use of cameras, videophones, or other visual recording devices on campus or at school related activities. This section, unlike the rest Cell Phone and Electronic Device Policy, extends to the time before school, after school, at school related events (such as athletic events, dances, etc.) or at moments when the school and district's jurisdiction is enforced. This may include when a student is on another campus or to and from school. The only exceptions to this policy include when a student has permission from a staff member to appropriately utilize such devices. Examples include recording a sporting event for an athletic team or a prior approved classroom assignment. Violations of this policy could result in disciplinary actions. The school will not be responsible for lost or stolen prohibited items.

Chromebooks

Students are expected to keep their assigned chromebook in good working order. Students should come to school each day with their Chromebook charged. Cases will be provided by FHS and MUST be kept on chromebooks at all times. Students may purchase their own cover if they'd like something different, but it must meet standards to protect the device. Students are assigned one chromebook while at FHS. Students who break or damage their Chromebook will be held accountable for damages and may be subject to additional disciplinary actions.

Classroom Office Hours

Teachers may offer extra help to students before school and during recess and lunch time. It is the student's responsibility to take advantage of these opportunities if offered by the teacher. Teachers will coordinate with students to make-up any missed tests or assignments.

Counseling Services

Students and/or parents may request the services of our school counselor. School personnel may also refer students for services to assist them with behavioral, social and/or academic challenges. Please call the office and request to speak with the school counselor should you need assistance.

MJUSD/ Foothill School Student Conduct Rules

Students are taught and frequently reminded of our school expectations:

BE SAFE BE RESPECTFUL BE RESPONSIBLE BE A PROBLEM SOLVER

Specific behaviors as they relate to each area of our campus, are explained to students at the beginning of the school year and revisited often. We focus our energy on the behaviors we want to see. Expectations are posted around the school to reinforce specific behaviors. Students will have all staff members as role models to demonstrate and remind students of these expectations.

Please add the following school rules to your discussions at home with your students:

- Students are only to be in areas where there is adult supervision.
- Students shall not be physically affectionate with each other on campus.
- Student cell phones should not be visible during the school day.

Any reports of bullying at Foothill School will be addressed immediately. This includes both verbal and emotional bullying. Schools are also responsible for addressing social-media bullying that may occur outside the regular school day. This includes, cruel, demeaning and/or threatening comments on social media sites such as facebook, Instagram, Twitter, Snapchat, etc. Disciplinary action up to and including suspension or expulsion may occur.

Nutritional Services

- Students may eat one breakfast either before school or at morning break.
- Lunch consists of a main dish item, milk and one trip to the garden bar which consists of various fruits and vegetables.

Physical Education

All students are required by the State of California to participate in physical education. If a student is excused from participating for health reasons, a note from the parent or guardian must be presented to the teacher before roll call. Parent notes will be honored for three days only. After that time, a

note from the doctor will be required. Foothill students do not dress down for PE; however, students are required to wear proper athletic shoes daily. Water stations are located throughout the school, but students are encouraged to bring a water bottle to P.E. For health and sanitation reasons, personal water bottles that require being filled up by the mouthpiece are not allowed to be refilled.

Prohibited Items at School:

Sharpies, Knives, pocket tools, ammunition, or weapons, matches, lighters, soda, energy drinks, glass containers, aerosol cans, any item that causes a disruption or safety hazard, skateboards, gum, sunflower seeds, shelled nuts, hard surfaced balls and bats, earbuds, cordless headphones, drugs, vapes, alcohol, tobacco

Raider Recognition System

All students will work on a positive merit system to help them track their behavior. Each student will begin the school year on our school's Raider Recognition list with 100 merits in their account. Students with 100 merits (equivalent to zero behavior infractions) each quarter will be eligible for the positive merit activity. Students on the list are also eligible to participate in all extracurricular activities and sports at Foothill School.

Infraction of School Expectations

Our school prides itself on maintaining a safe and orderly environment in which all students can learn at high levels. Teachers will communicate with students and parents to encourage positive choices by students. A student may be assigned consequences during the day, and loss of privileges may occur. As a means of monitoring students who may demonstrate repeated challenges in following our school-wide expectations, students may be issued a referral, or removed from class. Referrals are kept on file and may result in detention, campus beautification, merit activities, counseling, in-school suspension, suspension from school, or revocation of inter/intra district agreement. When a student receives a behavior infraction, such as a referral, or suspension, merits will be deducted from their account.

When a student receives a referral:

- Students will be counseled by school staff and corrective action will be taken
- Referrals will be entered into Aeries

- School personnel will typically only notify the parents/ guardians when a major referral is issued

For record keeping purposes, referrals are given a point value.

Minor referrals are 5 points each, major referrals are 10 points each, suspensions are 15 points each.

Raider Rebound Activities:

Students will have the opportunity to earn back as many merits as they would like during the school year, but will not be eligible for the merit activity during the quarter in which the infraction(s) occurred. Students who fall below the 85 merit mark will not be eligible to participate in after school sports, school dances, and/ or extracurricular activities, including the 8th grade promotion and dance. Students may participate in a Raider Rebound activity to restore 5 merits. Raider Rebound activities allow the student to perform a restorative action that helps our school. By working hard, even students who incur a discipline infraction can restore their merits to 100. A parent will be notified when a student falls below the 85 merit mark.

Raider Recognitions:

Staff will offer additional recognition of positive student behavior in the form of Raider Recognitions cards, Merit Activities, and awards. These cards are redeemed for a variety of extra activities and incentives. All staff members value and appreciate our students' positive efforts in demonstrating **Safe, Respectful, Responsible, Problem Solver** behaviors.

School Attendance

California's compulsory education laws for students ages 6-18 are strictly enforced. Parents will be notified if their child is deemed truant due to unexcused absences and/or excessive excused absences. Our goal is to work with families to ensure their students are at school, ready to learn every day. A doctor's note may be required after 3 days of absence. Parents are encouraged to schedule vacations when school is not in session. If there is a planned absence, the students and families are responsible for collecting any school work from teachers.

School Supplies

Textbooks and Chromebooks are provided by the school. If a student loses or damages their materials, they will be required to pay for the materials before attending any school activities. All students are provided basic school supplies. Teachers may request additional items after the school year begins.
